

**ST. JUSTIN'S COLLEGE OF EDUCATION
MADURAI – 625 009**

**The Annual Quality Assurance Report
(AQAR) of the IQAC**

2018 - 2019

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. *(Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)*

The Format for Annual Quality Assurance Report (AQAR) of the IQAC

Name of the College: **St. Justin's College of Education, Madurai**

Name of the Affiliating University: **TNTEU, Chennai**

Year of Report: 2018-2019

Section A: Plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement

IQAC

Meetings:

The IQAC Meeting was conducted on 10th January 2019 under the Chairmanship of

Rev. Dr. A. Mary Delphine. IQAC members from outside as well as our college participated in the meeting and discussed the programmes to be carried out for improving the quality of teaching and learning. The other IQAC meetings with the internal members were conducted on 05.01.2019. During the year 2018-19, IQAC had plan of action at the commencement of the year towards quality enhancement and the results achieved by the end of the year are as follows.

The general plan for improvement of the quality during 2018-2019 is mentioned below:

- To sustain excellence in teaching and learning.
- To build up and maintain a student centered environment.
- To generate and continue a technological environment that is helpful to academic and administrative needs.
- To expand and promote beneficial relationships with the community.
- To increase Research and Extension activities.
- To Provide of National /International platform for participation.

Action Plans for the Academic Year 2018-2019 is based on the following:

1. Academic
2. Skills Development
3. Health
4. ICT
5. Social Responsibilities
6. Research
7. Students Welfare (support)
8. Evaluation Strategy
9. Innovations
10. Sensitizing the importance of Environment
11. Spiritual and Moral
12. Land to Lab – Lab to Land

For the Teacher Educators

- To develop one Self Learning module in one unit of main subject.
- To send at least 5 articles to the International and National Journals for publication.
- To conduct awareness programmes for the school and public.
- To practice two innovative learner-centered teaching/learning methods.
- To conduct 5 interdepartmental programmes.
- To introduce new certificate courses.
- To give three new type of tests in the class – Objective type, Viva-Voce, Quiz Programmes, Open Book Examination, Computer assisted tests and self-evaluation.
- To organize seminars and workshops for students.
- To organize one International Conference for Teacher Educators.
- To present at least one paper in National/International Seminar.
- To publish at least three books/Course materials.
- To arrange one enrichment programme for Teaching and Non-teaching staff members.

Section B:

Activities reflecting the goals and objectives of the College 2018-2019

1. The goals and objectives of our Teacher Education Institution are translated into the following academic and non-academic programmes.

- a) **ADMISSION POLICY:**

Students for the B.Ed and M.Ed courses are admitted by the College Selection Committee on merit as per guidelines issued by Directorate of Collegiate Education and TNTEU. There are two ways of admission in B.Ed, one is through TNTEU counseling (25) and another is management (75). The prime motto of our Institution is the welfare of the young and among them, the most poor and under privileged. The major target groups are the rural poor, Dalit and economically weaker students have been admitted during the year 2018-19. (These economically weaker students were identified by their parents' level of education, occupation and their annual income between Rs. 25000/- to 35000/-) The students from economically and socially backward groups are provided financial and educational support.

- b) **PHYSICAL DEVELOPMENT:**

Competitions in sports and games:

Sports and Games take a special place in this Institution. From providing purified drinking water to the balanced diet in the hostels the Institution takes every care in building up the good health of the students.

All the B.Ed and M.Ed students were engaged in various games activities daily for their good physical health and mental relaxation. Intramural competitions were held for M.Ed and B.Ed students separately. The competitions were mainly based on athletic events like 100mts, 200mts, long jump, discuss and shot put and three major games like volley ball, throw ball and tennikoit .

This academic year St. Justin's College of Education acted as nodal college for conducting TNTEU District level and Zonal level sports meet at MGR stadium, Race Course Madurai on 28.01.2019 and 05.02.2019.

Health Services:

Yoga exercises were demonstrated to the B.Ed students by Mrs .A. Maria JeyaChandra Rani, Physical Directress in the physical education classes 10 days in the college campus. Daily prayer has 10 minutes of Yoga position for all the students.

c) Intellectual Development:

Academic excellence and building intellectual capacity to search for knowledge is the primary focus of our institution. This is achieved by

- Regular contact classes,
- Exposure programmes,
- Update of knowledge by guest lectures,
- Seminars organized by the institution,
- Student seminars,
- Preparation of assignments,
- Discussions
- Research colloquium,
- study tour, and
- Library activities.

The above mentioned curricular aspects of this institution were clearly explained in the third question of this report.

d) INCULCATION OF SOCIAL VALUES:

1. Students Election: Union Inauguration:

Students select their leaders both at the B.Ed and M.Ed level by casting their votes to the nominated persons on 06 th September 2018.This provides an Opportunity for inculcation of leadership qualities and to acquire awareness about the democratic principles. Miss. L.Victoria of English as College prayer leader and Gennifer as college vice prayer leader and Mrs. Abhinaya of commerce was elected as the college Union leader and Miss. Dhiwya of English as assistant leader. Miss. Roseline Nisha of English as sports Leader and Miss.Sujitha Rajam of Phycical science as Sports Vice Leader were elected. Miss. Subulakshmi of Tamil was elected as Fine – Arts leader and Miss. Daniya Judith of English was elected as Fine – Arts Assistant

leader. Miss. Deepthi was elected as M.Ed., leader. The leaders for Various Subject Associations were also selected from each major. These leaders were allowed to shoulder the responsibilities of organizing and coordinating various cultural activities and programmes conducted in the college.

The Union Inaugural Function was conducted under the president ship of Rev.Fr.Augustin, counselor of St.Mary's Boys.Hr.Sec.School Madurai on 12.11.2018.The selected leaders took Oath to shoulder the responsibilities for the welfare of the institution. This inauguration itself served as a means to evoke the social responsibilities among the student leaders.

2. Extension Programme:

Under this programme, the students were trained in social concern and responsibility, loyalty to the country and the community around them. Developing awareness regarding social evils such as caste, corruption, and degradation of women and violation of human rights are constitutive parts of this programme. Thus the student teachers are trained as the agents of needed social change in the country.

The College has a meaningful extension programme aimed at sensitizing students to social realities. Extension work is consequently done once in every fortnight thereby the student teachers are provided with field experience. Gov. Blind Special School visit and Hearing Impaired school visit were organized to expose the students to know the importance of caring the special children and inclusive education. Our students visited Government Leprosy Home at Y.Othakadai.

Cleaning of the Public places: Swatch Bharath 2018

All the B.Ed. student teachers participated in the cleaning of some of the essential places at Madurai. Cleaning the Kamarajar Salai, Kuruvi Karamban Pallam and Viraganoor Dam area were taken

3. Group wise in-campus activities such as,

- Garden work
- Kitchen work
- Cleaning of the campus for celebrations
- Cleaning of the class rooms
- Beautification of the campus

are given and the work is assigned according to their talents and abilities. Some of the activities are made compulsory so that the student teachers can understand the dignity of labour.

4. Tuition Programmes:

Our student teachers took tuitions for the educationally backward students of Fatima school from December 2018 – February 2019.

Co Curricular Activities:

a. Celebrations:

An educational institution reflects the life in the society and celebrations are precious gifts of our life. Hence important National Days and festivals are celebrated inside our campus to imbibe the National values and cultural values. Independence Day was celebrated on 15th August, 2018 under the president ship of Rev.Sr.Dr.A.Mary Delphine, principal St.Justin's College of Education.

Teachers' Day was celebrated on 5th September, 2018. Christmas was celebrated on at Blind School, K.K.Nagar, Madurai on 21.12.2018 and on Bharathi Oldage Home, Alagappa Nagar, Madurai. Christmas Celebrations in our campus was held on 22.12.2018 and Pastor. Jebaraj, Professor, American College Madurai was the chief Guest and delivered the Christmas message.

Pongal festival was celebrated on 11th January 2019 at our college premises with great enthusiasm. Fr.James Paulraj of Railway Colony acted as chief guest and gave pongal message.The students prepared pongal with the competitive spirit and enjoyed the day with cultural and traditional way.

Voter's Day was celebrated on 25th January 2019 by conducting various competitions in order to insist voting. Hostel Day was celebrated under the presidentship of Sr.S.Marthal, Hostel Warden.

Republic Day was celebrated on 26th January 2019 in the college campus and the Chief Guest, Dr.Kabilan, Assistant Professor in Comp. Sci, MKU old campus who hoisted the flag and gave the Republic Day message. Our students celebrated International women's Day on 8th March, 2019 at Rev. Fr. Packianathan from Sivagangai delivered an interesting and inspiring talk on Women Empowerment in the morning session and Advocate Ashok delievered awareness talk on "Laws and amendments for Women's rights". Rev. Sr. Amalorpavam,

Coordinator of Women Cell, Assistant Professor in Tamil, coordinated all the programs of women's Day in a grand manner. Our Thatha Patti Mannavar Kuzhu (Club) celebrated the internationally important days related to Old age persons and Senior Citizens in the month of August and October every year. All students were registered and they did one month care taking program of their grandparents or senior citizens nearby. They submitted the report on 26.03.2019. Dr.C.Meenakshi, Coordinator of Thatha Patti Mannavar Kuzhu conducted programme on taking care of old age persons and students took oath on caring the senior citizens.

Our Environment Club celebrated the internationally important environmental days such as forest day, water day and the environmental day by providing the awareness speech on environmental protection in the morning assembly. Dengue Awareness and Cracker Awareness programme was organized on October and December 2018 by the environmental club. Dr.C.Meenakshi, Coordinator of Environment Club, Assistant Professor in Education, coordinated all the programs throughout the year. This year our B.Ed students prepared seed balls on 30.08.2018.

5. Programme on self-help: SUPW

To promote self-employment and to develop dignity of labour and self-confidence in students to stand on their own legs, they were trained to produce useful materials from the waste products. To meet their basic needs in their day-to-day life, the students are trained in preparing washing powder, soap powder, Phenol, ink, candle and preservation of food products through the introduction of a certificate course in Preparation of Home Products.

The uniform system (in dress) among the B.Ed. and M.Ed. students on Mondays keep the students away from outwardly economic disparities and integrate them by developing the 'we feeling' among them.

Inclusive Education:

Computer Skills Development:

With a real concern for the bright future of our students, in this highly competitive and fast progressing world, all the students were given a short-term DTP computer Course and Ms-office from 20.08.2018 – 31.08.2018. This programme was offered to improve their computer literacy so that they may cope with the changing trends in ICT (Information and

Communication Technology). In this programme the content is changed according to the needs and interest of the learners. Sr. Sasikala, Assistant professor in Education coordinated this programme.

B. Other Certificate courses:

We have provided certificate courses to the B.Ed., students in Gandhian Thought. Jewel making, Doll making and Preparation of household products such as Candle, phenols, soap oil, soap powder, cleaning powder, scented sticks, Adai Mix and Idli Powder. Experts from Gandhi Museum taught the Certificate courses on 20th to 24th August 2018. Students studied Gandhian Thought, students took part in Jewel making, students joined in doll making and students participated in Preparation of Household products and were awarded the certificates. Mrs. Maria Jeya Chandra Rani, Physical Directress coordinated the programme and Mr. Natarajan, coordinator, Madurai Gandhi Memorial Museum and Research centre acted as resource person for the program.

Personality Development:

Considering the handicaps of the rural students with regard to their personality development, the college organised many seminars to take care of this aspect of their development. Courses on personality development, value education, human rights and environment protection were provided. Personality Development seminar was conducted and Dr. C. Meenakshi, Assistant Professor in Education acted as resource person.

SEMINARS:

Every student teacher must be trained to be responsible individuals, who are capable of making free and correct choices. Hence the young minds were exposed to reality, and to form in themselves a clear idea of the meaning of life through various seminars.

School Teachers Seminar was conducted on awareness on sexual harassment on 29th November 2018 at Y. Othakadai Girls. Hr. Sec. School and 25 teachers participated in this seminar and Mrs. Premalatha, counselor and trainer acted as the resource person.

School Students Seminar was conducted on awareness on sexual harassment on 29th November 2018 at Y. Othakadai Girls. Hr. Sec. School and Nearly 150 School students

participated in this seminar. They actively participated in drama and dance. Mrs. Premalatha, counselor and trainer acted as the resource person.

Special Education certificate course programme was conducted by Rev.Sr.Soosaiammal. District Legal Free Service was conducted on 19th December 2018 at District court premises, Madurai. Mr. Paneer Selvam, Sub Judge, Advocate P.Uma Sankar and Advocate Kumar gave an enlightening speech to our students on various laws on women right.

B. Ed and M. Ed students attended Life coping skills programme on 07.01.2019 and 08.01.2019. They got training from skilled trainers from Fatima College Professors and Our College Professor.

The Placement Cell of the college organized placement day on 16th March 2019 for both B.Ed and M.Ed. The placement cell coordinator Dr.C.Meenakshi gave a clear idea and tips for the students to face interviews with more courage and self-confidence. Nearly 8 institutions came for placement and 61 student teachers participated in this programme.

B.Ed and M.Ed students attended the conference Gnana Urchavam at Vivekananda College of Arts and Science, Thiruvudagam. B.Ed and M.Ed students participated in Techno Seminar conducted by Thiagarajar College of Preceptors on 15.12.2018. Physical Science students participated in the seminar conducted by Physics department of Thiagarajar Arts and Science College on 20.02.2019. English department students attended the seminar conducted by TVS Teacher Training College on 24.11.2018. Tamil department students attended a seminar conducted by Uzhaga Tamil Peravai on 28.11.2018.

d) INCULCATION OF MORAL VALUES:

- Every Wednesday Moral Instruction is provided in the evening hour 4.00 to 5.00 pm by the teacher Educators.
- For improving/ maintaining the Mental Health Counseling was given to the student teachers.
- Each staff was assigned 13 students for academic & personal Counselling. It is carried out once in a week.
- Morning assembly talk by the student teachers was focused on the inculcation of moral values.

- Daily morning assembly consisting of recitation of college prayer, verse reading from the Bible, a devotional song, principal's daily brief announcements, appreciation of prize winning students, and a silence for a minute form an important tool in achieving our moral and ethical goals.

e) SPIRITUAL VALUES:

As per our motto 'For God & Country', we instill the spiritual values among our students by organizing the following activities.

We began this academic year 2018-19 with a common prayer offered by the Principal and Rev. Sisters of this college.

- Every day morning mass is made available to the catholic students, especially the hostelites.
- We mould the trainees to be effective, responsible, efficient and intelligent teachers by implanting the word of God through prayer every day. The College begins with general assembly in which prayer service is held daily.
- In the morning Assembly passages from the Holy Bible are read and college prayer is pronounced.
- A prayer room is made available for the students to enrich them spiritually. It is open at all times on all days so that the student teachers can conveniently use it for silent prayer and meditation.
- A Common prayer is conducted by the teaching and administrative staff of the college every day before the morning assembly.
- A Common prayer is spelled out in the evening where all the inmates participate.
- All important functions and meetings organized in our institution always start with prayer and prayer song.

f) CULTURAL VALUES:

Regular encouragement of students to involve themselves in co-curricular activities provides them opportunities for multi-dimensional development. Cultural Values are imbibed by arranging the following programmes

Participation in Cultural Programmes of Other Schools

Educational institutions maintain the continuity of social life. Celebrations are a part & parcel of this social life. It is reflected in our campus too. They also attended the School

Day function of the model school Nirmala Girls.Hr.Sec.School and other cultural activities of Amali Matriculation School and Fatima School placed within our campus.

Celebrations:

National days such as Independence Day, Republic Day, Teacher's Day, Women's Day, Human Rights Day and Important Days such as, Voters' Day, Christmas, Pongal, Hostel Day are celebrated by the students, teaching and administrative staff members with great enthusiasm and with exchange of greetings. All the above mentioned celebrations are accompanied by skits, dance, and inspiring speech which can infuse moral, social, cultural and spiritual values in the minds of the students.

Fine Arts Competitions at the Collegiate Level:

The college endeavors to develop the personality of students through fine arts. It provides opportunities for the student teachers to exhibit their talents by conducting competitions at the college level. This year Fine Arts Competitions **Justo Euphoria 2019** was held on 21st and 22nd of March 2019. Various competitions such as Rangoli, Solo Song, Group Song, Verse writing – Tamil, Solo Dance – Classical, Solo Dance – Western, Group Dance – Folk, Group Dance – Western, Elocution –Tamil and English, Essay Writing – Tamil and English were conducted. Dr.Srinivasan, Dean, Thiagarajar Arts and Science College came as Chief Guest in the valedictory function and gave a thought provoking speech.

Inter Collegiate Cultural competitions:

Justartshia 2019 was held on 30th of March 2019. Various competitions such as Rangoli, Solo Song, Group Song, Verse writing – Tamil, Solo Dance – Classical, Solo Dance – Western, Group Dance – Folk, Group Dance – Western, Elocution –Tamil and English, Essay Writing – Tamil and English and Quiz were conducted. 10 colleges participated. Mr.Balasaravanan, cinema actor acted as Chief Guest in the valedictory function and delivered a speech.

Our student teachers participated in Inter Collegiate Competitions conducted by TVS Teacher Training Academy College, Physical Science students participated in the competitions conducted by Physics department of Thiagarajar Arts and Science College, Madurai on 20.02.2019 and won prizes. Mangaiyarkarasi College of Education on, Madurai conducted "Zest" on 15th March

2019. Our students participated and won the prizes in the competitions. Maths students went to competitions on 02.03.2019 conducted by Madura College, Madurai and won prizes. Our student teachers participated in Inter Collegiate Competitions conducted by Adhitya TV on 16.12.2018 and our college won the overall crown and gift hampers.

District Level Cultural Meet by TNTEU:

M.A. Sabitha secured Second Prize in Elocution Competition in the district level elocution competition conducted by TNTEU.

Associations:

To promote human rapport and genuine human relationships leadership qualities and cultural values, subject clubs are formed from the beginning of the course. A minimum of five subject Association meetings were conducted in the major classes to develop among the students the sense of team spirit and the ability to organize and carry out any responsible activity. The associations of various disciplines functioned as usual under the guidance of concerned major staff members. The Valedictory functions of the various Associations were held on 13th [Tamil Language-] and 14th [GUILD OF BELLESLETTERS, MATHISCOM, HOOKEIANS 2019] of Feb 2019 and reports were presented department wise. The various, well planned, schematic curricular, Co-curricular and Extra Curricular activities ensure the all-around development of the personality of the student teachers to attain the motto 'For God and Country'.

2. New academic programmes initiated (UG and PG) 2018-2019

Our college offers B.Ed. as the UG programme under aided stream and self-finance stream one and the M.Ed.(PG)course are offered. No new academic programmes were added during 2018-19. The Certificate course on Computer was continued this year with adequate student enrollment. Other than this four Certificate courses on Gandhian Thought, Jewel making, Doll making and Preparation of household products were provided this year.

3. Innovations in curricular design and transaction

As our college is non-autonomous, it follows the curriculum designed by TamilNadu Teachers Education University, Chennai. The views, suggestions and opinions expressed by the

faculty members are represented to the Registrar of the University through the Principal of our college. The faculty members contributed their share of evaluation in their respective subjects through staff meetings.

Curriculum Transaction

a) Preparation of Annual Calendar:

All the different committees of the college met ten days prior to the commencement of the academic year to discuss the plan of action, various curricular and co-curricular activities for the academic year in 5th July 2018. Based on this discussion the students' Hand Book (College Calendar) was prepared by the Calendar Committee under the guidance of the TNTEU.

a) Preparation of Timetable:

The M.Ed. and B.Ed. general Time Table for the academic year 2018-19 were prepared by the Calendar Committee coordinated by Dr.C.Meenakshi.

a) Preparation of Academic Calendar:

The annual calendar was prepared by the Calendar Committee showing various programs and working days of the institution. Based on this the chart for the Academic Calendar was planned by the Calendar Committee coordinator Dr.C.Meenakshi with due attention and accuracy. The academic calendar thus prepared was supplied to all the staff .Using this calendar and Time Table, each staff member prepared their own Academic Calendar for the academic year 2018-19 for all the B.Ed and M.Ed. subjects separately.

English Bridge Course:

In this Global scenario English language has a multi various utility. Bridge Course was arranged for the new B.Ed entrants to develop their communicative skill and linguistic skills. A bridge course in English was planned and conducted for the student teachers selected out of management quota. Rev.Sr.Dr.Mary Delphine, principal conducted the bridge course from 20th August to 31st August 2018.All the students who were admitted were made to utilize this

course content which was mainly based on the functional use of all the skills like listening, speaking reading and writing.

Bridge Course Material:

The material consisted of basic words, structure, oral drills, written drills, units comprising comprehension skills, important rules to be observed in using functional grammar.

MINI TEACHING PRACTICE

Micro-Teaching:

Micro-teaching is training technique which helped the student teachers to master the teaching skills. The student teacher practiced the teaching skill in terms of definable, observable, measurable and controllable form with repeated cycles (twice) till she attained mastery in the use of skill.

Training for Teaching

A well-organized teaching practice is in vogue in our college. In our college, Micro Teaching was used with great emphasis to develop five teaching skills and competencies in handling effectively their subjects. Series of **Micro-Teaching** skill development classes were in progression from 09.10.2018 to 24.10.2018. Micro teaching orientation class started by our principal Rev.Sr.Dr.Mary Delphine later all the subject teachers gave the demonstration classes followed by the student teachers.

Link Practice:

Link Practice was also done by the student teachers comprising all the five skills practiced earlier. Each student teacher writes one lesson script for the link practice and practiced before entering into the macro teaching session.

MACRO TEACHING

Model Demonstrations:

Model Demonstrations were given by their subject teacher educators.

Internship

The School internship training programme was started from 1.08.2018 and ended on 10.12.2018. Our Student teachers went to 8 schools and after completing their intensive teaching practice successfully came back to the college on 12th December, 2018.

Objectives of Internship:

- To apply the teaching skills in real classroom situations.
- To acquire practical knowledge about the learners and learning environment.
- To train them to perform the duties as real teachers during the intensive practice teaching.
- To motivate the student teachers to know about the Nature of the institution and the type of learners
- To train them to prepare lesson plans related to the syllabus.
- To train them to integrate all the Micro teaching skills in teaching.
- To improve their teaching skills based on the various types of feedbacks provided to them

Feedback:

Feedback sheets were distributed to the mentors and the Heads of the institutions of these schools. The mentors observed each and every class, assessed the performance of the student teachers and helped them to modify their lesson plans and to handle the classes effectively. The Heads of the institution assessed the overall behaviour of the student teachers and the feedback sheets were collected by the student teachers after the completion of the Internship programme.

A third feedback in the printed format was collected from the class students by the respective student teacher at the end of the intensive practice and analysed separately to understand her drawbacks and strengths.

The Teacher Educators also visited the different schools to assess their major students and provided the feedback and the ways of improving their weaknesses. The students could have responsive and pleasant contacts with the Teacher Educators through mobile phones as and when they encounter any problem in their teaching or in their schools. M.Ed students observed the student teachers during their SIP.

Other Practices during Internship:

The B.Ed. students were asked to participate in the cultural programmes, celebrations of National days, important functions of the school, educational tours, field visits, Inspection activities and invigilation work of the respective school. They used to give training and practice to the schoolchildren in debate, discussion, acting, singing and dancing. They will also use at least two different innovative methods of teaching in their class.

Outcomes of the Internship:

- * Student teachers got good fresh hand experience and exposure to the real school environment which comprises teaching, learning, evaluation, the hierarchical setup and the organizational climate on the whole.
- * Student teachers' efficiency and competency in teaching was assessed and marks were awarded.
- * A good rapport was established with the Heads and the teachers of the intensive practice teaching schools.
- * The student teachers develop the ability to analyse their strengths and weaknesses from the feedbacks offered to them.

Learner Centered Pedagogy:

The college normally works on all the 200 days in a calendar year and almost all teaching hours are engaged. 100% attendance is encouraged for students.

The following methods were practiced by the students under the supervision of the teaching faculty.

- ✓ Assignments
- ✓ Seminars
- ✓ Symposia
- ✓ Peer group discussion
- ✓ Individualized instruction through Learning Modules
- ✓ Role Play
- ✓ Workshops
- ✓ Demonstrations

- ✓ Panel Discussions
- ✓ Quiz

1. Language Lab is used to teach language lessons and helps in language pronunciation and learning.

2. Chart Drawing and Usage of audio visual aids: In all the subjects, special attention was paid in chart drawing and proper use of audio visual aids.

3. Educational Technology: In the Educational Technology laboratory demonstrations and training were given in Black board writing, Chart drawing and preparation of Slides, Film strips, OHP transparencies and hardware handling. Opportunity was provided to all the student teachers to take the classes using the various audio-visual aids prepared by them.

4. Computer Laboratory: The students were exposed to computer operations, internet browsing and PowerPoint preparations. Demonstrations were provided by the computer experts. All the B.Ed. students prepared Power Point presentations for their subjects

5. Psychology Laboratory:

The Psychology Laboratory is equipped with 55 paper and pencil tests and 5 performance tests. These tools are well utilized both by the B.Ed. and M.Ed. student teachers. The B.Ed. student teachers were motivated to conduct psychological experiments in psychology and develop the ability to know the psychological aspects of the learners. In the Psychology Laboratory five demonstrations such as Alexander's Pass-along test, Koh's Block Design test, Muller Lyer Illusion test, Finger Dexterity test and Transfer of Learning test were given to all the student teachers in batches in order to verify the facts learnt in the Psychology theory class. Eight experiments were done by the B.Ed students during their intensive training programme.

The experiments were

- Motivation
- Distraction of Attention
- Verbal Intelligence
- Eysenck Personality Test
- Vocational Interest

- Negative Transfer of Learning
- Span of Attention
- Tower of Hanoi

6. Science Laboratory: The science students were instructed to give demonstrations in schools to conduct experiments. Other activities such as dissection work, specimen collection, specimen preservation and skeletal materials preparation and collection were also given proper training.

VII. Discussions and Debates: Discussions and Debates were conducted in all the subjects to improve the self-expression and the ability to interact with other members. These activities were assessed by awarding marks and some of the performances were evaluated through observation. Lecture method of teaching is supplemented by group discussions and seminars.

VIII. Field visits:

Our B.Ed. and M.Ed., students visited Agriculture College and Research centre as Green Walk on 06.12.2018. They underwent Tree Walk to Viraganoor Teacher Training Campus on 29.08.2018. Our B.Ed. and M.Ed., students visited Meenakshi Temple and Thirumalai Naickar Mahal on 17.11.2018 as Architectural site visit. Our students visited Government Leprosy Home at Y.Othakadai.

Our B.Ed and M.Ed., students visited Gandhi Museum on 19thDecember2018 and motivated by Gandhian Principles and life history. The inspiring lecture was given by Mr.NandaRao. The students also visited the Science Museum, Book Shop and the Library of the Gandhi Museum. The students also visited the Book Fair on 07.09.2019.

Our B.Ed and M.Ed., students visited Uzhaga Tamil Peravai on 19th December 2018 to get the knowledge of our Tamil Culture and tradition and ongoing researches. Our B.Ed and M.Ed., students visited District Court and witnessed the court proceedings on 19th December 2018. This helped the students to know the work of court in legal needed time. A visit was organized to see Vivekananda College campus, green farming, organic food preparation unit and bread processing unit on 12.02.2019. Our M.Ed., students visited Theresa Teacher Training on 01.03.2019. Our B.Ed and M.Ed., students visited Vallaba Vidhyalaya, Arumpanur as innovative school visit on 07.02.2019.

Educational Tour

Educational Tour was arranged to visit places of Mysore and Bangalore on 11.07.2018, 12.07.2018 and 13.07.2018. A one Day Educational Tour was arranged to visit places of Rameswaram and nearby areas on 24.01.2019. Teaching and non-teaching staff accompanied the students.

Quiz:

In all the Optional subjects quiz programmes were conducted to update and facilitate with more facts in their subjects and to enhance their learning.

Teaching through ICT:

Power point presentation by the Teacher Educators is a routine process used for the process of teaching learning. LCD Projectors have been installed in the technology laboratory and auditorium to assist the Teacher Educators in teaching through ICT.

Teacher Educators updated themselves by attending seminars, workshops, conferences, and refresher courses. Prepared notes are given to the student teachers for some of the hard nuts in the syllabus as printed matter to enhance their learning.

Research Colloquium for M.Ed.

The M.Ed. Colloquium was conducted in 03.12.2018. The staff discussed about the methods of tool preparation, and rendered proper guidance for the individual selection of the thesis topics collectively. This enabled our students to choose the topics for their dissertation work.

Socially Useful Productive Work:

A workshop on the preparation of Socially Useful Productive Work was organized to train the students to prepare various useful products and house hold materials by Mrs.Maria Jeya Chandra Rani, Physical Directress of our college. All the B.Ed. student teachers actively participated and exposed their novel ideas and creative talents in the preparation of different items such as jewels, baskets, artistic materials, flower vases, dolls, paintings and

various kinds of handmade articles. Their performances were assessed by the respective teacher educators by awarding internal marks.

Associations:

To promote human rapport and genuine human relationships leadership qualities and cultural values, subject clubs are formed from the beginning of the course. A minimum of five subject Association meetings were conducted in the major classes to develop among the students the sense of team spirit and the ability to organize and carry out any responsible activity. The associations of various disciplines functioned as usual under the guidance of concerned major staff members. The Valedictory functions of the various Associations were held on 13th [Tamil Language-] and 14th [GUILD OF BELLES LETTERS, MATHISCOM, HOOKEIANS 2019] of Feb 2019 and reports were presented department wise. The various, well planned, schematic curricular, Co-curricular and Extra Curricular activities ensure the all-around development of the personality of the student teachers to attain the motto 'For God & Country'.

Library Work:

Staff and students of our college have used our library very well. The library works from 9Am to 5 Pm throughout the year except on Sundays and government holidays. At present 14, 036 volumes and 35 journals were available in our library for our reference. The inflibnet facility is available to Staff and students. Justo Library is having online entry-exit as well as having online book lending and returning procedure. The students can work in the library for their assignment topics, seminar topics, open book examinations, question bank references and other reading works till 5 pm every day. In the timetable one hour per week is allotted as library hour for all the majors. All user can give the feedback electronically.

4. Inter- disciplinary programmes started 2018-2019

In future the institution would plan new inter-disciplinary programmes along with the academic programme.

5. Examination reforms implemented 2018-2019

Internal Evaluation:

After the students were admitted, their academic skills are identified through Pre test, periodical tests and classroom interactions. Student trainees' performances are assessed periodically for internal assessment, which consists of assignments, seminars, unit tests, workshops and symposia. Apart from that, the students' total involvement in all the college activities is also given due weight age. The institution conducted different types of tests throughout the academic year and based on these marks, the internal assessment marks were calculated for each student.

Question paper Pattern: The internal, Revision and Model Examinations question papers were designed strictly adhering to the Tamil Nadu Teachers Education University (TNTEU) question paper pattern. For the other tests the teacher educators followed their own design according to their creative ideas.

Correction of Answer Sheets: The correction of answer papers of internal, Revision and Model Examinations were done within 10 days from the date of the last examination. The correction work for the unit tests were completed within 7 days from the date of the last test.

Feed-Back and special programmes: As soon as the correction was over, feed-backs were given to the students with constructive criticism. The slow learners, underachievers and brilliant learners were identified after each test and examination in order to provide remedial instruction, special coaching and enrichment programmes respectively in future. The high performers were guided to equip themselves to score higher marks in the external examination. The weak students are given individual attention and personal academic counselling by the concerned lecturers. The College follows continuous, comprehensive evaluation process. Evaluation consists of 30% internal and 70% external at B.Ed. level.

At end of the academic year the Model Examination and Revision examinations were also conducted before the university examinations. The results of all the subjects were reviewed after every test and appropriate feed-backs were given. The slow learners and under achievers were identified and proper remedial measures were taken. The high achievers were

selected and ample encouragement was provided for further achievement in the University Examination. The students were evaluated not only in their academic performance, but also in co-curricular activities. Final evaluation was made through the university examination.

External Evaluation:

This year the Practical Examination for B.Ed. II Year, was conducted on 18.02.2019 and 19.02.2019 by TNTEU, Chennai. Dr. Boopathi, Assistant Professor in Educational Technology Department TNTEU acted as a Chief Examiner and Mr. Arivalagan, Assistant Professor, Kongunadu college of Education, Salem acted as member. Mrs. Muniyammal acted as Chief Examiner for M.Ed practicum and Viva Voce on 27.07.2018. Mrs.Muniyammal acted as Chief Examiner for M.Ed practicum on 31.08.2018.

Examination reforms implemented:

18. Community services

Extension Activities:-

Under this programme, the students were trained in social concern and responsibility, loyalty to the country and the community around them. Developing awareness regarding social evils such as caste, corruption, and degradation of women and violation of human rights are constitutive parts of this programme. Thus the student teachers are trained as the agents of needed social change in the country.

The College has a meaningful extension programme aimed at sensitizing students to social realities. Extension work is consequently done once in every fortnight thereby the student teachers are provided with field experience. Gov. Blind Special School visit and Hearing Impaired school visit were organized to expose the students to know the importance of caring

the special children and inclusive education. Our students visited Government Leprosy Home at Y.Othakadai.

Cleaning of the Public places: Swatch Bharath 2018

All the B.Ed. student teachers participated in the cleaning of some of the essential places at Madurai. Cleaning the Kamarajar Salai, Kuruvi Karamban Pallam and Viraganoor Dam area were taken

3. Group wise in-campus activities such as,

- Garden work
- Kitchen work
- Cleaning of the campus for celebrations
- Cleaning of the class rooms
- Beautification of the campus

are given and the work is assigned according to their talents and abilities. Some of the activities are made compulsory so that the student teachers can understand the dignity of labour.

4. Tuition Programmes:

Our student teachers took tuitions for the educationally backward students of Fatima school during December 2018 – February 2019.

Awareness programmes:

Various extension activities and awareness programmes were carried out every year for the upliftment of the village people and public. AIDS Awareness, Environmental Awareness, Health Awareness, Crackers awareness were given to the school pupils and public.

Cleaning of the Public places: Swatch Bharath 2018

All the B.Ed. student teachers participated in the cleaning of some of the essential places at Madurai. Cleaning the Kamarajar Salai, Kuruvi Karan Salai and Viraganoor Dam area were taken.

Celebrations:

National days such as Independence Day, Republic Day, Teacher's Day, Women's Day, Human Rights Day and Important Days such as, Voters' Day, Christmas, Pongal, Hostel Day are celebrated by the students, teaching and administrative staff members with great enthusiasm and with exchange of greetings. All the above mentioned celebrations are accompanied by skits, dance, and inspiring speech which can infuse moral, social, cultural and spiritual values in the minds of the students.

College Campus Cleaning:

Students are motivated in cleaning the campus, classrooms, sharing the work in kitchen in vegetable cutting, garden maintenance and arranging the library books. While conducting functions, stage setting, decorations and seating arrangements are skill fully carried out by the students.

19. Teachers and officers newly recruited 2018-2019

21. Improvements in the library services

Staff and students of our college have used our library very well. The library works from 9Am to5 Pm throughout the year except on Sundays and government holidays. At present14, 036 volumes and 35 journals were available in our library for our reference. The inflibnet facility is available to Staff and students. Justo Library is having online entry-exit as well as having online book lending and returning procedure. The students can work in the library for their assignment topics, seminar topics, open book examinations, question bank references and other reading works till 5 pm every day. In the timetable one hour per week is allotted as library hour for all the majors. All users can give the feedback electronically. Journals and Magazines are displayed in a separate rack. Library has been computerized with Internet accessibility. Special training for Librarian and Library Assistant was given in handling the computers properly.

22. New books/ journals subscribed and their value

Total Books – 141

Value – Rs.26, 169

23. Courses in which student assessment of teachers is introduced and the action taken on student feedback

The Feedback Committee continues the practice of collecting feedback for all the activities of the college, to revise or modify the feedback questionnaires as and when needed with the assistance of the Committee Members and faculty. This Committee collected feedbacks from the student teachers, parents' alumnae and staff members, school students, mentors, Heads of the schools and participant of various programmes for the year 2018-2019.

Subject-wise and course evaluation questionnaires, evaluation of teacher educators, feedback from Alumnae, parents, peer evaluation of teacher educators, feedback sheets from the mentor teachers and Head of the practice teaching schools, school pupils etc were distributed, codified and analyzed to find out the achievement of the course objectives, to find out the impact of the various activities of the college and to find out the extent of satisfaction achieved.

The student evaluation of all the Teacher Educators were collected separately by the respective staff and self-analysed. The points to be modified were taken by them personally and noted in their Self-Appraisal booklet. They themselves would suggest the correct approach/method to improve their practices. The analyzed report was submitted to the Principal who in turn conveys all the information to the Management Council. The Management Council also meets the staff twice in a year and get a separate feedback from them.

24. Feedback from stakeholders

This Committee collected feedbacks from the student teachers, parents' alumnae and staff members, school students, mentors, Heads of the schools and participant of various programmes for the year 2018-2019.

Subject-wise and course evaluation questionnaires, evaluation of teacher educators, feedback from Alumnae, parents, peer evaluation of teacher educators, feedback sheets from the mentor teachers and Head of the practice teaching schools, school pupils etc were distributed, codified and analyzed to find out the achievement of the course objectives, to find out the impact of the various activities of the college and to find out the extent of satisfaction achieved.

25. Unit cost of Education

30. Activities and Support from the Alumni Association

Alumni Association is functional under Rev. Dr. A. Mary Delphine, Principal and the guidance of Dr.Mrs.C,Meenakshi, Asst.Prof.in Education and other Alumni members. All the years the Convocation day the lunch was provided by the Justo Alumni. The Alumni always awarded the toppers in B. Ed and M. Ed by giving Books and Pen drives.

31. Activities and support from the PTA

This academic year began with the Parents and Teachers Meeting. The first parent teachers association was held on 9th of July 2018. It was highly interactive and the opinions of parents for choosing St.Justin's college of Education were discussed. The various skills and values to be instilled among the students, the rules and regulations of the institution were discussed with the parents. Mrs.Muthulakshmi, Mr.Rajaboopathy and Mr. Asirvatham were elected as President, Vice president and member of the PTA.

32. Health Services

Health Practices: From providing purified drinking water to the balanced diet in the hostels the Institution takes every care in building up the good health of the students. All the B.Ed and M.Ed students were engaged in various games activities daily for their good physical health and mental relaxation. Sports and Games take a special place in this Institution. Intramural competitions were held for M.Ed and B.Ed students separately. The competitions were mainly based on athletic events like 100mts, 200mts, long jump, discuss and shot put and three major games like volley ball, throw ball and tennikoit .

Yoga exercises were demonstrated to the B.Ed students by Mrs A. Maria JeyaChandra Rani, Physical Directress in the physical education classes. Health tips and Prescriptions were given after examining them.

33. Performance in sports activities

Sports and Games take a special place in this Institution. From providing purified drinking water to the balanced diet in the hostels the Institution takes every care in building up the good health of the students. All the B.Ed and M.Ed students were engaged in various games activities daily for their good physical health and mental relaxation. Intramural competitions were held for M.Ed and B.Ed students separately. The competitions were mainly based on

athletic events like 100mts, 200mts, long jump, discuss and shot put and three major games like volley ball, throw ball and tennikoit .This academic year St. Justin's College of Education acted as nodal college for conducting TNTEU District level and Zonal level sports meet at MGR stadium, Race Course Madurai on 28.01.2019 and 05.02.2019.

Incentives to outstanding sportspersons

Outstanding sportsperson is identified and the cup for championship is awarded. The winners and runners in the major games and minor games competition are awarded prizes and certificates.

Student achievements and awards

Miss.Abitha Maria Idhaya won the district level 100metres first and 200metres second and 4X100 relay second conducted by TNTEU. Sujitha Priya secured first in Shot put in the district level sports conducted by TNTEU.

34. Activities of the Guidance and Counseling unit

The Counseling Cell is active under the supervision of Rev.Dr.Mary Delphine, principal and the guidance of Mrs.Vani Maheswari, Asst.Prof.in Maths Education. The student teachers are benefitted out of it. Various programs such as One day seminars, Guest Lectures, Training programs and Awareness programs are conducted in order to bring out a holistic development among the student teachers in collaboration with various other cells of our college. Counselling cell extended its support to the school students of Puliyankulam Government Hr.Sec.School.

Counselling Unit:

One hour per week within the time table itself is allotted for counselling. Each professor is assigned 20 B.Ed. students as such all the 200 students have the privilege to take part in the counselling session. Each staff member has been assigned a class for academic and personal counselling. Staff members stimulate and empower the students to face their problems with full confidence and positive thinking; encourages the students to face the practical exam without fear; initiating the students to attend the various campus interviews conducted by the schools.

Academic counselling is extended to students who seek help to overcome poor academic performance (slow learning). The causes of the problem are analysed and the students are counselled suitably.

Personal Counselling:

Problems are unique with individuals. Personal counselling is provided whenever an individual student approaches the counsellor with a personal problem- physical- emotional- social-intellectual. A career counselling is given to students periodically at times of interviews and during the selection of schools for their employment.

35. Placement services provided to students

Placement Cell is functional under Rev..Dr. A.Mary Delphine, Principal and the guidance of Dr.Mrs.C,Meenakshi, Asst.Prof.in Education and other Staff members. Eight reputed schools in Madurai and around area came for placement on 16.03.2019. Most of our students placed in good schools with reasonable salary package.

36. Development programmes of non - teaching staff

Workshop on Work Dedication for office members was conducted on 15.12.2018 at Theresa Teacher Training, Viraganoor. Brother Edwin, Don Bosco. Boys. Hr. Sec. School, Madurai acted as resource person.

37. Good practices of the institution

A contributing Teaching Learning environment exists in the college where the Management and the staff members join their hands to bring out the efficiencies of the budding preceptors to excel in this contemporary society by pursuing various healthy practices.

IQAC Meeting

The Justo IQAC Internal Core team gathered in the Conference Hall of St. Justin's College of Education on 5th January 2019 for the Annual Planning Programmes to be carried out for the academic year 2018-2019. The IQAC Core team Meeting was conducted on 10th January 2019 under the Chairmanship of Rev.Dr. A. MaryDelphine, IQAC members from

outside as well as our college participated in the meeting and discussed the programmes to be carried out for improving the quality of teaching and learning. The other IQAC meetings with the internal members were conducted twice during this year.

Our Link with TNTEU

Rev.Dr.A.Mary Delphine, Principal acted as the camp Officer in the Tamil Nadu Teachers Education University Central valuation from 30.07.2018 to 11.08.2018.

Rev.Dr.A.Mary Delphine, Principal acted as Nodal Officer for District level and Zonal level Cultural and Sports Competitions conducted by TNTEU on 28.01.2019,29.01.2019 and 04.02.2019,05.02.2019 respectively. **Rev.Dr.A.Mary Delphine** Principal acted as chief for M.phil Exam center from 08.11.2018 to 09.08.2018 at our campus.

Learning Resource Centres:

a. Psychology Laboratory:

Psychology Laboratory is equipped with 58 tools that include questionnaires, inventories, case study form; rating scales etc. to assess various psychological factors such as Personality, Reasoning ability, Memory, Level of Aspiration and so on. In addition 23 Performance test tools are also available for theory and practical instruction and for doing the experiments by students. These tools are well utilized both by the B.Ed. and M.Ed. student teachers.

b. Science Laboratory:

The science laboratories are utilized fully for developing the student teachers' experimental skill, manipulative skill and investigatory attitude. Apart from these, they maintain aquarium and vivarium in the laboratory which improve their aesthetic sense and love for nature. In addition they get the opportunity to view the skeletal materials, improvised lab instruments, herbarium, albums and preserved specimens.

c. Educational Technology Laboratory:

The educational technology laboratory is well equipped with TV, VCR, Slide projector, film strips projector and Overhead Projectors. The ET laboratory is spacious to accommodate more than 50 students. Viewing of Television, C.D.ROMs and microteaching demonstration as well as practice by the students and lectures, shooting of microteaching

practices and usage of audio, videocassettes and CAI packages are the activities carried on in the Educational Technology Lab. The students were provided opportunity to handle these equipments and to prepare OHP transparencies. They were also given training in blackboard writing, chart drawing and model making, usage of OHP and Power Point Presentation. Our M.Ed class is transformed into Smart Classroom with smart board installation. Both B.Ed and M.Ed students utilized and also used as the techno venue during Practicum

The use of ICT has made a significant contribution to the quality of education in the campus. Compulsory computer literacy for the students and imparting of computing skills to staff both teaching and non-teaching and the use of ICT has given a boost to academic quality. The office automation, computerization of library and networking of the campus have facilitated quick and quality administration. The project office and the documentation center have ensured resource mobilization and sharing.

d. Well maintained Language Laboratory

Language Lab is updated with new software and computers. Students are interested to learn English in global standard.

e. Good Library with Journals, encyclopedias, textbooks, Reference books, Research reports and CDs

f. Teaching Faculty:

Our teaching faculty is continuously pursuing higher education with constant interest and enthusiasm. Two Teaching faculties are doing their doctoral research work.
