

PATTI THATHA MANAVAR KUZHU

2022-2023

With a social concern and outreach attitude this group was formed in our college and functions effectively in training the students to take care of senior citizens.

This year the meeting was conducted on 21st September 2022 under the Chairmanship of Rev.Sr.Dr.A.Mary Delphine. The members of the cell participated in the planning meeting and discussed the programmes to be conducted out during the academic year 2022-2023.

The General plan for 2022-2023 is mentioned below.

- To create responsibility among student teachers towards senior citizens caring
- To build up social outlook society to take care of our treasure {old age peoples}
- To generate and continue extension of hands for the needs of senior citizens.
- To expand and promote beneficial relationships with the community.
- To celebrate the International old age peoples day.

The members of the cell participated in the evaluation meeting and discussed the programmes conducted out during the academic year 2022-2023.

S.NO	PLANNED	EXECUTED
1	To create responsibility among student teachers towards senior citizens caring	During the educational psychology classes this responsibility was created.
2	To build up social outlook society to take care of our treasure	Principal sr insisted this in all programmes to the students.

3	To generate and continue extension of hands for the needs of senior citizens.	Our student extended their hands by helping senior citizens in paper reading, walking, spend time with them and talk with them.
4	To expand and promote beneficial relationships with the community.	Our student teachers maintained cordial relationship with their grandparents and senior citizens.
5.	To celebrate the International old age peoples day.	International old age peoples day Was conducted in prayer time.
